

# AIDOVA

*Founding Team Adherence Document*

## PREAMBLE

This Adherence Document confirms that the individual named below has read, understood, and voluntarily agrees to be bound by the Aidova Founding Team Agreement (Version 1.0), including all terms related to intellectual property, confidentiality, roles, responsibilities, and collective ownership. The full agreement is available online.

**NAME:** KIBE ELVIS  
**ROLE:** Assistive – Development dep't  
**DEP`t:** Assistant Developer

## CORE FUNCTIONS

- Write clean, maintainable code for the Aidova platform
- implement features according to specifications
- fix bugs and perform regular maintenance
- test new features before deployment
- document code and technical processes
- communicate progress and challenges to Development Lead
- collaborate with Beta Tester on user experience improvements
- stay updated on relevant technologies
- participate in departmental meetings
- suggest technical improvements and innovations

## DECLARATION

I hereby declare that I shall uphold the principles set forth in the Agreement and dedicate my efforts to the advancement of Aidova's mission. I acknowledge that all work contributed by me shall belong solely to Aidova.
